DETAILED ACTION

1. The finality of last Office Action has been withdrawn in view of the Appeal Brief filed September 1, 2005. Any inconvenience is regretted.

Claim Rejections - 35 USC § 112

3. Claims 1 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is vague and infinite because it is unclear of the limitation "obtaining a first request for the provider data", it is unclear where to obtain the first request.

4. Claim 1 recites the limitation "the request" in line 6. There is insufficient antecedent basis for this limitation in the claim.

5. Claim 1 recites the limitation "the provider data" (at line 8). There is insufficient antecedent basis for this limitation in the claim.

6. Claim 1 recites the limitation "the provider data" (at line 13). There is insufficient antecedent basis for this limitation in the claim.

7. Claims 1 is also rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is vague and infinite because it is unclear of the limitation "returning the first portion of the provider data"; it is unclear where to return the data to ?

8. Claims 1 is also rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Claim 1 is vague and infinite because it is unclear of the limitation "generating a second identifier"; it is unclear how to generate a second identifier.

9. Claim 13 recites the limitation "the provider data" (at lines 5, 7, 8, and 8). There is insufficient antecedent basis for this limitation in the claim.

10. Claim 13 recites the limitation "the request" (at line 6). There is insufficient antecedent basis for this limitation in the claim.

11. Claim 13 recites the limitation "a first identifier" (at line 8). There is insufficient antecedent basis for this limitation in the claim.

12. Claims 2-12 and 14-23 not specifically addressed depend upon rejected independent claim and as such are rejected as being dependent upon a rejected base claim.

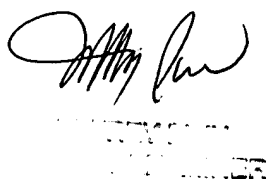

Response to Arguments
